

For Public Release

OSC-DI-05-0995

12 Oct 07

I was provided a copy of the public release documentation associated with this case in Jan 07 and provided a For Official Use Only (redacted) response to Office of Special Counsel in Feb 07. On 3 Oct 07, I received the unredacted, revised copy of the report from Office of Special Counsel. I have turned in a separate, unredacted response to this unredacted investigation report, dated 12 Oct 07. This response included concerns associated with:

- 1) Concerns with foreign nationals conduct (three distinct countries), as it relates to this case.
- 2) Two members of the investigation team's employment at one of the companies associated with allegations in this case, at the time of the allegations.
- 3) A third investigation team member's potential participation in some of the conflict of interest allegations
- 4) Seven substantive corrections to/concerns with the unredacted, revised report, with attached documentation.
- 5) Perceived "endorsement" of violation of harassment law (attempts to move me/personnel action, in response to a threatening work environment) in Feb-Apr 04, on the part of the Investigation Team, within all versions of the investigation final report.
- 6) Other activities, which due to issues with National Security, I will not describe here.
