Re: OSC File Nos. DI-06-1645 and
DI-06-1904

Dear (b)(7)(C)

I respectfully submit the following a status report for the above captioned cases and request that you grant an extension of time to file the Department of the Army's report required by 5 USC §1213 for the above captioned Office of Special Counsel (OSC) case where OSC determined that there is substantial likelihood that information provided by Deputy Inspector General (b)(7)(C) and Assistant Inspector General (b)(7)(C) discloses that (b)(7)(C) XVIII Airborne Corps and Fort Bragg Inspector General (IG), Department of the Army, Fort Bragg, North Carolina, breached his duty and violated his ethical obligations as Inspector General by arbitrarily and capriciously delaying, hindering, or failing to order investigations into his colleagues of similar rank, thus, abusing his authority and violating the procedural regulations designed to ensure due process and impartial investigations contained in Army Regulation 20-1, Inspector General Activities and Procedures.

I respectfully submit the following status report and further request that you grant the Department of the Army an additional extension of time to file its report in this matter. This request for an extension is being made pending the outcome of an ongoing investigation by the Department of the Army Inspector General (TIG or DA IG). You granted a previous request for an extension for sixty days on January 23, 2007 and had agreed that I would provide a status update on this pending action within sixty days or if the outstanding action had been completed, then the final Department of the Army report would be submitted to the Special Counsel. Since that time, the following actions have been taken on this case.

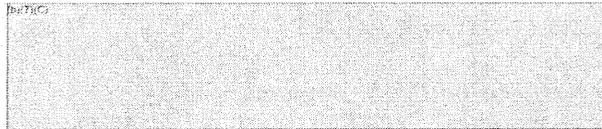

On December 6, 2006, I forwarded the OSC correspondence to TIG for appropriate action pursuant to Army Regulation 20-1, *Inspector General Activities and Procedures*. I requested that TIG investigate and prepare a draft report of findings for submission to OSC. The TIG referred this action to the United States Army Forces Command (FORSCOM) IG for investigation. Additional time was needed for the FORSCOM IG to complete its investigation and you granted our request for an extension of time until March 30, 2007. On January 30, 2007 the FORSCOM IG report was submitted to the DA IG for staffing and then was forwarded to the Army's OGC for

review and further staffing. As a result of this review, I have asked that additional issues that surfaced during the initial investigation be addressed. Therefore, this extension of time is being requested to complete this further inquiry by the FORSCOM IG, and for further review and staffing with this office and other appropriate offices. In turn, once the draft report is forwarded to my office, the Department of the Army will need additional time to address the issues presented in the draft report and prepare the final report to the OSC in satisfaction of the 5 USC §1213 requirements.

Should you grant this extension, please advise me as to length of the extension. Within that allotted time, I will either provide you another status update on this pending action or be able to submit the final Department of the Army report to the Special Counsel.

I appreciate your assistance in considering the extension request. To advise me if this extension will be granted, you can reach me at ^{(b) (7)(C)}
