SUPPLEMENTARY INFORMATION:

I. Discussion

The NRC is issuing a revision in the NRC's "Regulatory Guide" series. This series was developed to describe and make available to the public information regarding methods that are acceptable to the NRC staff for implementing specific parts of the agency's regulations, techniques that the NRC staff uses in evaluating specific issues or postulated events, and data that the NRC staff needs in its review of applications for permits and licenses.

Revision 2 of RG 1.78 was issued with a temporary identification of Draft Regulatory Guide, DG-1387.

II. Additional Information

The NRC published a notice of the availability of DG-1387 in the **Federal Register** on July 28, 2021 (86 FR 40661)

for a 30-day public comment period. The public comment period closed on August 27, 2021. Public comments on DG-1387 and the staff responses to the public comments are available in ADAMS under Accession No. ML21253A074.

III. Congressional Review Act

This RG is a rule as defined in the Congressional Review Act (5 U.S.C. 801-808). However, the Office of Management and Budget has not found it to be a major rule as defined in the Congressional Review Act.

IV. Backfitting, Forward Fitting, and Issue Finality

Revision 2 of RG 1.78 does not constitute backfitting as defined in section 50.109 of title 10 of the *Code of Federal Regulations* (10 CFR), "Backfitting," and as described in NRC Management Directive (MD) 8.4, "Management of Backfitting, Forward Fitting, Issue Finality, and Information Requests"; constitute forward fitting as that term is defined and described in MD 8.4; or affect the issue finality of any approval issued under 10 CFR part 52. As explained in Revision 2 of RG 1.78, applicants and licensees would not be required to comply with the positions set forth in the RG.

OFFICE OF SPECIAL COUNSEL

Privacy Act; System of Records

AGENCY: U.S. Office of Special Counsel.

ACTION: Notice of a new system of records.

SUMMARY: The U.S. Office of Special Counsel (OSC) seeks, in accordance with the Privacy Act of 1974, to establish a new system of records titled, "Office of Special Counsel, OSC-4, Reasonable Accommodation Records." This system of records allows OSC to collect and maintain information from employees who request accommodations from OSC for medical or religious reasons.

DATES: Written comments should be received on or before January 21, 2022.

ADDRESSES: You may submit written comments by mail to the: U.S. Office of Special Counsel, Office of the Clerk,

1730 M St. NW, Washington, DC 20036; or by email via: frliaison@osc.gov.

FOR FURTHER INFORMATION CONTACT:

Amy Beckett, Senior Litigation Counsel, by telephone at (202) 804-7000, or by email at frliaison@osc.gov.

SUPPLEMENTARY INFORMATION: OSC is a permanent independent federal investigative and prosecutorial agency. OSC's basic authorities come from four federal statutes: The Civil Service Reform Act, the Whistleblower Protection Act, the Hatch Act, and the Uniformed Services Employment & Reemployment Rights Act (USERRA). OSC's primary mission is to safeguard the merit system by protecting federal employees and applicants from prohibited personnel practices, especially reprisal for whistleblowing, and to serve as a safe channel for allegations of wrongdoing.

Title V of the Rehabilitation Act of 1973, as amended, prohibits discrimination in services and employment based on disability, and Title VII of the Civil Rights Act of 1974 prohibits discrimination, including based on religion. These prohibitions on discrimination require Federal agencies to provide reasonable accommodations to individuals with disabilities and those with sincerely held religious beliefs unless doing so would impose an undue hardship. In addition, some individuals may request modifications to their workspace, schedule, duties, or other requirements for reasons that may not qualify as a disability but may lead to an appropriate modification to workplace policies and practices.

In accordance with the Privacy Act of 1974, OSC proposes to establish a new system of records that allows OSC to collect and maintain information from employees who request reasonable accommodations from OSC for medical or religious reasons. Employees include applicants for employment and other individuals who participate in OSC programs and activities and who request reasonable accommodations and/or other appropriate modifications from OSC for medical or religious reasons.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93802; File No. SR-NYSE-2021-72]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change for Non-Substantive Conforming Changes to Rule 18

December 16, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on December 9, 2021, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes non-substantive conforming changes to Rule 18. The proposed rule change is

available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes non-substantive conforming changes to Rule 18 (Compensation in Relation to Exchange System Failure).

Earlier this year, the Exchange eliminated member and non-member employee Floor Officials and transited the duties and responsibilities of Floor Officials to newly created Trading Officials, who are Exchange employees appointed by the NYSE CEO or his or her designee.⁴ As part of this change, the Exchange amended, among other rules, Rule 18, which sets forth the process for member organizations to seek reimbursement for losses resulting from system failures. Specifically, former Rule 18(d) established a Compensation Review Panel consisting of three Floor Governors and three Exchange employees to determine the eligibility of a claim for payment. Since elimination of Floor Governors left Exchange employees as the sole members of the Compensation Review Panel, the Exchange eliminated the Compensation Review Panel and amended Rule 18(d) to provide that the Exchange will review claims submitted pursuant to Rule 18 and determine eligibility of a claim for payment.⁵

⁴ See Securities Exchange Act Release No. 92193 (June 16, 2021), 86 FR 33001 (June 23, 2021) (SR-NYSE-2020-105) (Order).

⁵ See *id.*, 86 FR at 33002. As described in the previous filing, claims under Rule 18(d) would continue to be validated and reviewed by Exchange employees but retention of the Compensation Review Panel was unnecessary given that elimination of Floor Officials, which would leave the panels composed solely of Exchange employees.

As part of that filing, the Exchange inadvertently failed to amend subsections (e) and (f) of Rule 18, which describe the workings of the Compensation Review Panel, as well the deleting the references to the Compensation Review Panel in subsections (c) and (d) of Supplementary Material .10, which governs Rule 18 claims by the Exchange's affiliate NYSE American LLC. The Exchange accordingly proposes the following conforming changes to Rule 18.

Rule 18(e) provides that Compensation Review Panel determinations are by majority vote and that in the event of a deadlock the final determination will be made by the Chief Executive Officer of the Exchange ("CEO") or his or her designee. Consistent with the previous filing, the Exchange proposes to delete subsection (e) as obsolete. Current subsection (f), which provides that all determinations made pursuant to Rule 18 by the Compensation Review Panel, the CEO or his or her designee are final, would become new subsection (e). The phrase "the Compensation Review Panel, the CEO or his or her designee" in subsection (f) would also be deleted. Proposed Rule 18(f) would accordingly provide that all determinations made pursuant to the Rule are final. Finally the references to Compensation Review Panel in subsections (c) and (d) of Supplementary Material .10 would be replaced with the Exchange.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5),⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

In particular, the Exchange believes that the proposed non-substantive conforming changes would remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the proposed non-substantive changes would add clarity, transparency and consistency to the
