WASHINGTON, D.C./September 7, 2017 –

The U.S. Office of Special Counsel (OSC) will change its telephone numbers on September 15, 2017. The change is part of a comprehensive plan to modernize OSC's information technology and cybersecurity systems.

On September 15, the new main line at OSC will be 202-804-7000. OSC's website (www.osc.gov) will remain the same, as will staff email addresses.

Additional updated contact information can be found at: <https://osc.gov/Pages/contact.aspx>.

The U.S. Office of Special Counsel (OSC) is an independent federal investigative and prosecutorial agency. Our basic authorities come from four federal statutes: The Civil Service Reform Act, the Whistleblower Protection Act, the Hatch Act, and the Uniformed Services Employment & Reemployment Rights Act (USERRA). OSC's primary mission is to safeguard the merit system by protecting federal employees and applicants from prohibited personnel practices, especially reprisal for whistleblowing, and to serve as a safe channel for allegations of wrongdoing.
