

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest,⁹ the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6) thereunder.¹¹

The Exchange has requested the Commission to waive the 30-day operative delay. The Commission hereby grants such request and believes that such action is consistent with the protection of investors and the public interest.¹² The proposed changes to adopt the pegged cross order type and the interpretation regarding sub-penny pricing of cross orders are similar to rules of other national securities exchanges.¹³

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

⁹ In addition, Rule 19b-4(f)(6) requires the Exchange to provide the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission has waived the pre-filing requirement in this case.

¹¹ 17 CFR 240.19b-4(f)(6).

¹² For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹³ See, e.g., NYSE Arca Equities Rule 7.31(cc) (Pegged Order); ISE Stock Exchange Trading Rule 2104(i) (Pegged Orders); Chicago Stock Exchange Article 20 Rule 4(a)(7)(b) (sub-penny provision).
