II. HOW TO MAKE A FOIA REQUEST

- A. Names, addresses, and telephone numbers of all individual agency components and offices that receive FOIA requests: Marlene A. Cleaveland, FOIA Officer, U.S. Office of Special Counsel, Planning and Advice Division, 1730 M Street, N.W., Suite 201, Washington, D.C. 20036-4505; telephone (202) 653-8971; fax (202) 653-5161.
- B. Brief description of agency's response-time ranges: median processing time is 86 days.
- C. Brief description of why some requests are not granted:

OSC is an investigative and prosecutorial agency. Most requests concern records maintained in OSC's case files, involving: allegations of prohibited personnel practices (including retaliation against federal agencies and employees for whistleblowing); whistleblower allegations of fraud, waste, or abuse; and allegations of prohibited political activity (*i.e.*, Hatch Act violations) against federal, state, or local government employees. These records, consisting of investigatory material compiled for law enforcement purposes by or under the supervision of attorneys, are maintained in a system of records subject to the Privacy Act. OSC has exempted its system of records from the Privacy Act's access provisions in accordance with section 552a(k) of that law. For that reason, most requests for these records are exempt from disclosure to first-parties (complainants or subjects) under the Privacy Act, but small portions may be releasable to them under the FOIA. Requests for these records by third parties (individuals other than complainants or subjects) are typically denied

because the records were compiled for a law enforcement purpose, and because disclosure could reasonably be expected to result in an unwarranted invasion of the personal privacy of the individuals identified in the records under 5 U.S.C. § 552(b)(7)(C). Additionally, all parties may be denied access under 5 U.S.C. § 552(b)(5), as appropriate, for records that are subject either to the attorney work product privilege, or to the deliberative process privilege because they contain evidence of OSC's predecisional, deliberative process.

III. DEFINITION OF TERMS AND ACRONYMS USED IN THIS REPORT

A. Agency-specific acronyms and other terms:

1. OSC - U.S. Office of Special Counsel
2. FOIA - Freedom of Information Act (5 U.S.C. § 552)
3. PA - Privacy Act (5 U.S.C. § 552a)
4. FY - Fiscal Year (October 1 through September 30)

B. Basic Terms:

1. FOIA/PA Request - Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for disclosure of records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records covered by that Act concerning oneself; such requests are also treated as FOIA requests. (All requests for records, regardless of which law is cited by the requester, are included in this report.)
2. Initial Request - A request to OSC for records under the FOIA.
3. Appeal - A request to OSC asking that for review at a higher administrative level of a full denial or partial denial of a FOIA request, or any other FOIA determination, such as a decision pertaining to fees.
4. Processed Request or Appeal - A request or appeal for which OSC has taken a final action on the request or appeal in all respects.
5. Multi-track Processing - A system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. A requester

Freedom of Information Act Report (FY 2000)

who has an urgent need for records may request expedited processing (see III.B.6 below). OSC is currently using multi-track processing and will publish revised FOIA regulations reflecting that fact pursuant to 5 U.S.C. § 552(a)(6)(D) in FY 2001.

6. Expedited Processing - OSC will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants giving his or her request priority over other requests that were made earlier.
7. Simple Request - A FOIA request that a federal agency using multi-track processing places in its fastest (non-expedited) track based on the volume and/or simplicity of records requested. OSC is currently using multi-track processing and will publish revised FOIA regulations reflecting that fact pursuant to 5 U.S.C. § 552(a)(6)(D) in FY 2001.
8. Complex Request - A FOIA request that a federal agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested. OSC is currently using multi-track processing and will publish revised FOIA regulations reflecting that fact pursuant to 5 U.S.C. § 552(a)(6)(D) in FY 2001.
9. Grant - An OSC decision to disclose all records in full in response to a FOIA request or FOIA appeal.
10. Partial Grant - An OSC decision to disclose a record in part in response to a FOIA request or FOIA appeal, redacting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entirety, but to withhold others in whole or in part.
11. Denial - An OSC decision not to release any part of a record or records in response to a FOIA request or FOIA appeal because all the information in the requested records are exempt from disclosure under one or more of the FOIA's exemptions, or for some other procedural reason (*e.g.*, because no record is located in response to a FOIA request, or because the requester sought answers to questions instead of actual records).
12. Time Limits - The time period in the FOIA for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request.
13. Perfected Request - A FOIA request for records which adequately describes the records sought, which has been received by OSC's FOIA office, and for which there is no remaining question about the payment of applicable fees.

14. Exemption 3 Statute - A separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).

16. Average Number - The number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
