Re: OSC File Number DI-09-1868

Dear Ms. Smith:

I have reviewed the report of investigation on this case that I recently received from you. I will have no comments on this report other than to say that, in my view, the Office of Special Counsel pursued this case with appropriate urgency and professionalism. I appreciate the attention you gave this issue for the sake of the nation's veterans.

Sincerely,

A handwritten signature in black ink, appearing to read 'William Schuetz', with a long horizontal flourish extending to the right.

William Schuetz
